**Sub : Puja Ex-gratia payment to the workers
in the Hosiery units for the year, 2017.**

Dear Sir/ Madam,

The Association has received representations from various Trade Units representing workers engaged in the hosiery units for Puja Ex-gratia payment.

The Hosiery Industry in Kolkata has now been passing through a critical situation and sustainability of the units is being challenged due to rising input costs and labour. However, for the sake of peace and harmony in the hosiery industry, the Association recommends Puja Ex-gratia payment as paid for during last year.

Members are requested to make the Ex-gratia payment as early as possible.

Thanking you,

Yours faithfully,

(Avik Roy)
